

CALL FOR VOLUNTEERS: Lakeshorts International Short Film Festival

[Lakeshore Arts](#) is looking for a team of enthusiastic volunteers to help out at this year's [Lakeshorts International Short Film Festival](#) at **Assembly Hall** on **May 5th & 6th, 2017!**

Now in its seventh year, Lakeshorts fosters the arts community in South Etobicoke while showcasing the passion and spirit of cutting-edge independent film.

The Friday evening **Scotiabank Loved and Local** screening will feature emerging and local filmmakers, and the Saturday evening **AGF Gala Screening** and after party will feature a dynamic program of films by filmmakers from Canada and around the world, including the festival award winners.

In order to make the festival a success we're going to need some extra help with setup, food service and take down throughout. This is an exciting opportunity for folks who are interested in event management, service delivery and, of course, film! Plus, you'll have a chance to catch some of the shorts being screened!
